An invitation to the West Ashley community!

Join us for a fun-filled event and learn what a West Ashley Senior Center could offer!

The West Ashley Senior Center is not yet a reality. Come out and learn about plans to create the best gathering spot in West Ashley for those age 50 and older.

Bring your friends, play some bridge, try out line dancing or learn to shake your hips in Zumba. Demonstration classes will be provided by the Lowcountry Senior Center staff. Light refreshments and door prizes will add to the fun.

Your support could help make the West Ashley Senior Center a dream come true!
